Discussion from Lazarus at the Table – Chapter Three “Call to Family, Community and Participation” (pp. 26 - 40)

Commitment Card Discussion

Jane was advised that we had a parishioner who was concerned with the amount of money spent on the "Commitment Cards"...and felt that money could have been used more appropriately in the parish. The group discussed how to best respond to a fair question. Team agreed to respond with the following thoughts:

- Estimated cost to print/distribute commitment cards to entire parish - \$7500
- Just over \$1.00 per parishioner
- The intent is to touch parishioners who might want to become more engaged and scatter a lot of seed to help them grow in their faith
- It is a recommendation of CSC...and statistics show this method significantly increases parish involvement
- Intent is to provide all parishioners with visibility to what St. Max has to offer!
