ST. MAXIMILIAN KOLBE PARISH ● Liberty Township, Ohio
2019-2020 PARISH-AWARDED TUITION SUBSIDY REQUEST FORM
(St. Gabriel Consolidated School)

January 2019

Dear St. Max Families,

Since 1996, St. Maximilian Kolbe Parish has awarded well over $2,000,000.00 in tuition subsidies to our parish families with children in Catholic grade schools! This extraordinary amount is a clear witness to the strong commitment our parish has to support our families seeking a Catholic grade school education for their children.

For the 2019-2020 school year we will continue to award our tuition subsidies as we have in the past. In order for families to receive these subsidies, certain criteria of eligibility must be met and maintained by the recipient families. As with all parish fiscal matters, we strive to exercise good stewardship with all funds entrusted to us by our parishioners and at the same time provide support to those in need of such support.

If your family is blessed by being financially capable of paying your tuition, or if you receive a subsidy through the Catholic Education Foundation, we ask that you do not apply for a parish-awarded tuition subsidy. This helps us to make the subsidies available to as many families as [possible, especially those in mots need of assistance.

Please pray for me and for our parish and be assured of my prayers for you and your family.

God bless,

Fr. Jim Riehle
Pastor, St. Maximilian Kolbe

St. Maximilian Kolbe Parish, as part of St. Gabriel Consolidated School, offers a tuition subsidy to eligible families equal to 10% of SGCS's tuition. For the 2019-2020 school year, this parish tuition subsidy amount is **$410.00 per student**.

Please complete and return this form to the St. Maximilian Kolbe parish office on or before **Friday, February 22, 2019**. Late submissions will only be considered after all other requests have been processed and there are still available funds remaining. Any questions or concerns about subsidy eligibility, please contact Fr. Riehle.

Please initial [in the brackets] each true statement.
