

Weather/Emergency Cancellation Policy

With winter upon us, it is a good time to review the policy for cancellation of RFY due to inclement weather or emergency:

Cancellation of evening building activities at St. Max, such as RFY, will generally be posted on our home page by 3:00PM. The link for the Saint Max homepage is www.saint-max.org. You can double check for cancellations on local television and radio stations. If you don't see anything, then you can assume that we will have class that evening. I will usually send out a quick email message as well.

There may be instances when the building remains open, but we decide to cancel RFY for the safety of the children and the parents/guardians who are responsible for transporting them to class. In this case, I will send out an email by 3:00PM.

If the local schools are closed due to bad weather, please do not assume that RFY will be canceled that evening. Road conditions MAY improve as the day progresses. Again, you can check our website at 3:00PM and/or local media stations.
