

Parish Life & Stewardship – January Meeting 1/18/17

Agenda & Meeting Notes

Prayers

- Jane shared the prayer intentions for the PL&S group. (PL&S praying for Worship Commission).

Father Geoff

- Father asked PL&S to review the attached documentation (SETON MODEL) and discuss if we feel there is an opportunity to layout these expectations in a formal manner to the parish.

ACTION ITEM – Review these documents and come back with feedback for February meeting. After prayer and discernment...PL&S to “potentially” create a subcommittee who can formulate this covenant and make it applicable to our parish.

- Is there an opportunity to include this information in WELCOME PACKET that all parishioners receive when they join St. Max. PLS to review the WELCOME PACKET at February meeting and discuss.

Discussion from Lazarus at the Table – Chapter Four – Rights and Responsibilities – pages 41-54

- Group shared open discussion about the “sacredness” of all human life. Sometimes it takes a “one on one” experience with less fortunate brothers and sisters to see things from a different perspective. Conversation fit well with current Healthcare debate that exists with the recent leadership changes in our country.

ACTION ITEM – Challenge ourselves to make it a point to meet face to face with those in our community who may currently not be in a position to receive the basic human rights that we are used to.
