# A Successful TR Adult Softball Season

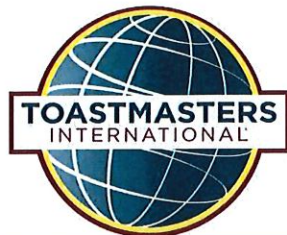

As our 2019 season comes to a close, it's important to thank all the people and organizations that make the league possible. We are 100% volunteer-run. Without our many volunteer coaches, player aides, umpires, AV folks and concession workers, our league would not be possible. We are extremely grateful for the many hours and support from our volunteers. Thank you! In addition, it also is a significant financial expense, the largest for our organization. The player registration fees collected help offset some of the league costs, but only a portion. We are fortunate to have many wonderful league supporters and we thank them for their help in making our league possible!
