

The Path Scorecard

The Pastoral Council of Saint Maximilian Kolbe Parish along with the Pastoral Staff, Finance Council, Outreach Commission, Parish Life and Stewardship Commission, and Worship Commission as well as the Committee to form the Evangelization and Catechesis Commission have worked over the last year and one half to address the items in the Path.

The Path was a culmination of years of listening to Parishioners about what they wanted St Max to look and feel like. The Path is a three year vision and we are in the middle of the second year.

The Path Scorecard is a snapshot of the progress the councils, commissions, and staff have made in making the vision of St. Max a reality. The numbers on the scorecard refer to the original document. If there are questions about the Path Scorecard it would be appropriate to email the chair of the Council or Commission or Pastoral Staff member that is responsible for that particular task. That information is located in the original document, The Path, on the Saint Max website: www.saint-max.org. The email addresses for the chairs of each group is on the last page of the Saint Max bulletin or on the above website.

Comments are welcome and the commissions and councils will be working on a future vision, so great ideas and volunteers are also welcome.

Thank you and God Bless,

Saint Maximilian Kolbe Pastoral Council
